## EDICATION

Because of his outstanding service and contributions to Murray State College, this 1961 **SHIELD** is dedicated to Dr. Will Frank Steely, Professor of History.

Working tirelessly since his arrival at Murray State College in 1956, Dr. Steely has endeared himself to the students, administration, and faculty of MSC. As a teacher he has inspired his students beyond the textbook; as an advisor he has shown great understanding and concern, not only with his assigned students, but with all others wishing his assistance; as a friend he has endeared himself to all who have had the privilege and honor of knowing him.

Professional excellence, deep intellectual capacity, personal greatness, and strong dedication unite in the personage of Dr. Will Frank Steely to engender a sterling individual. To that man this book is now dedicated.

## LIFE AT MURRAY STATE

Life at Murray State College, with its joy and sorrow, success and failure, can be the most rewarding experience of an individual's life. All phases of college life combine to advance the objectives of Murray State College, which are depicted in words and pictures on the following pages.

The marching band leads the homecoming parade

The ROTC Color Guard presents the colors

Square dance sequence in Campus Lights

Murray State honors its founder

Much learning time is spent in company with books

## TO DEVELOP AN ABIDING FAITH IN EDUCATION

To be effective, a college must inspire in its students the faith that knowledge provides the key to understanding the world we live in. This is done by stimulating the desire to learn and by providing the tools for development of the mind.

provide valuable training for future homemakers

Research is an essential phase of the educational process

Strong faith is required to endure long registration lines

Periodicals are an important source of current information and thought

Student politicians solicit votes for their favorite candidate

Teamwork is essential in a Democracy

An ROTC student receiving his commission

Voting machines were used for the first time in campus elections.

Kilroy was here!

Pulling together for a common cause

## THE BELIEF IN AND PRACTICE OF THE PRINCIPLES OF DEMOCRACY

Living in a country with a democratic government gives each student the right and the obligation to perform his duty as a free-thinking citizen. To do this he must keep abreast of current affairs, he must formulate and express his ideas, and he must ever be on guard against those who would take away these rights.

We learn from fellow students

# A COMPREHENSIVE UNDERSTANDING

Greater appreciation of the arts results from education

Familiarity with great writers is very important.

Schedule planning requires much thought and advice

Laboratory investigation requires concentration

## OF THE LEARNING PROCESS

Learning is a complex process. It is more than reading a book, taking notes in a lecture, or memorizing a group of facts. The learning process involves the collection, classification, evaluation, dissemination and utilization of facts, ideas, and experiences. It does not stop and start, but continues throughout the life of the individual.

Instructors present information in lectures

Problem solving requires understanding

Welding techniques are demonstrated to AG students

## THE ACHIEVEMENT OF PROFICIENCY IN OUR CHOSEN FIELDS

To prepare the student for his chosen career must ever be one of the goals of an effective college. To excel in this career should be a cardinal goal of the student himself. Specialized training is offered in every department at Murray State.

Long hours of practice furnish their reward

Chemical reactions require constant observation

An Industrial Arts student works on a piece of furniture

Sewing skills are developed in the Home Economics Department

Physics students work with electronic testing equipment

Formal receptions develop social graces

The student section is always full for a Murray State grid contest

## ALONG WITH WHOLESOME EXPERIENCES IN ENRICHED LIVING

An important aspect of college life is enjoyable recreation. Numerous social and recreational activities at Murray State provide every student the opportunity to experience the rewarding joys of a well-rounded life. Living and playing together develop the human touch, which is essential for a real education.

Dances are a favorite activity at Murray State

## FEATURES

One of the more enjoyable aspects of college life is the selection of those girls we honor for their beauty, personality, and charm. The young ladies on the following pages are the ones selected to portray these qualities in the 1961 SHIELD. In the above picture Carolyn Poin-dexter, Ideal Freshman Girl, is receiving congratulations from 1960's Ideal Freshman, Frances Smith.

Standing, left to right: Frances Knight, Dianne Boswell, Gayl Herrington, Jo Brown, Pat Jones, Barbara Gumm. Sitting, left to right: Deanna Hughes, Nancy Morgan, Charlene Billington, Janice Hill.

## SHIELD QUEEN

*Miss Pat Jones*

Miss Pat Jones, junior from Grand Rivers, Kentucky, was chosen as 1961 **SHIELD** Queen by the piano team of Ferrante and Teicher. Ten girls were nominated by the **SHIELD** staff and five of these were picked as finalists by three area judges. Photographs of these five girls were then sent to Ferrante and Teicher who picked Miss Jones to reign in the **SHIELD**.

February 7, 1961

Mr. Ralph Oliver, Editor  
THE SHIELD  
Murray State College  
College Station  
Murray, Kentucky

Dear Mr. Oliver:

You presented us with an insurmountable problem. Choosing any one of these five lovely girls above the others proved to be more than we bargained for. However, you insisted on one choice. After many hours of painstaking deliberation the best we could do was to narrow it down to two. For our final decision we must confess that we had to flip a coin.

The coin's choice is Miss Pat Jones.

We do not know where these girls originally hail from but we do know that all five portray the true Southern Belle Beauty.

All our good wishes to the entire student body (both male as well as female) at Murray State College.

Sincerely,

*Ferrante & Teicher*

## THLETICS

An integral phase of Murray State's activities is its athletic program. Through athletics the student develops a keen awareness of competition while developing an essential sense of fair play. Athletics also tend to foment a fundamental appreciation of team play which is the basis for harmony in later life. Sports mean more than just a game, more than the thrill of winning; they are a lesson in life which will endure long after the cheers have been forgotten.

Guard

TONY FIORAVANTI  
Quarterback

After a dismal 0-10 record in 1959, Murray came back to life during the 1960 season under the guidance of their new head coach, Don Shelton. Coach Shelton came to Murray from Henderson City High, where he had been named Kentucky high school "Coach of the Year." He led the Racers to a 5-5 record in his first year as a college coach.

Coach Shelton headed into the season opener with a young, inexperienced team that was eager to improve on its 1959 record. The improvement wasn't long in coming.

The squad

Bob Ware scores first touchdown of the season

BOB BURTON  
Tackle  
All-OVC

#### MURRAY 14; EAST TENNESSEE 0

In the season opener, the Racers ended a 10 game losing streak by downing favored East Tennessee, 14-0, before an enthusiastic home crowd of 7,000.

After a scoreless first half, quarterback Buddy Parker engineered second-half scoring drives of 50 and 90 yards. The first Murray tally came on a one-yard plunge by fullback Bob Ware. Halfback Bud Crafton put the game on ice for Murray when he cut off tackle to score from the 11-yard line with three minutes left in the game. Charles Watkins kicked extra point conversions after each touchdown.

Murray's defensive play received much deserved praise as the Breds intercepted three passes, recovered two fumbles, and stopped the Tennesseans twice on the Murray 11 and 8-yard lines.

#### MURRAY 15; FLORENCE STATE 20

A touchdown pass in the final minutes of the fourth quarter prevented Murray from gaining their second straight victory of the young season.

Murray took the lead early in the second quarter on a beautiful 93-yard punt return by halfback Bob Hines. Buddy Parker passed to Bill Myers for the two-pointer and Murray led 8 to 7. The Racers scored again in the second period as Tony Fioravanti carried from the one-yard line. Watkins converted and Murray held a 15 to 7 halftime advantage.

Neither team scored in the third period, but Florence State scored twice in the final period on long passes to edge the Thoroughbreds 20 to 15.

Joe Cartwright takes a handoff from Fioravanti

#### MURRAY 21; EASTERN 19

In their third game of the season, the Racers staged a second-half rally to gain their second OVC victory.

Eastern made two touchdowns in the first half and held a halftime lead of 12 to 0. Murray tallied their first points in the third quarter when Fioravanti went seven yards for the TD. Eastern quickly made another touchdown and Murray was in the hole, 19 to 7. Charles Watkins capped a 91-yard drive by Murray with a scoring plunge from the one-yard line. Late in the fourth quarter, Murray started their final drive which ended with 33 seconds left in the game. Fioravanti hit

Center

halfback Bill Jaslowski in the end zone for the final touchdown, with Watkins kicking his third consecutive extra point.

But Crafton was the leading ground-gainer for Murray with 113 yards. Fioravanti did an outstanding quarterbacking job and gained 112 yards on the ground.

#### MURRAY 6; LOUISVILLE 12

Murray fell before a strong Louisville team in their fourth game of the season. Louisville got the breaks and opened up a quick 12 to 0 lead in the first quarter. Murray came back in the second quarter and climaxed a touchdown drive when Fioravanti passed to Bill Unyi for the TD. The half ended with Murray trailing 12 to 6. The Racers tried vainly to gain their second touchdown in the second half. Murray apparently scored on a long pass from Fioravanti to Hines, however the play was called back because of a penalty against Murray.

Fioravanti again received praise for his outstanding quarterbacking and punter Gordon Perry continued his fine punting, averaging 47.6 yards per kick.

#### MURRAY 14; MOREHEAD 8

Murray won their third straight OVC game by beating a strong Morehead team, 14 to 8.

Murray took the lead in the first quarter when Bob Ware caught a Buddy Parker pass and ran 28 yards for the score. Murray scored again in the first half, this time with Tony Fioravanti passing to Gary Foltz to climax a long Murray drive. Watkins converted both times and the halftime score was 14 to 0.

Morehead managed to score late in the second half but never posed a serious threat to Murray's halftime lead.

Murray displayed a strong defense throughout the game and managed to effectively contain Morehead's vaunted offense.

#### MURRAY 12; TENNESSEE TECH 14

Before an overflow Homecoming crowd of 8,500, Murray was barely edged out in an important OVC battle by powerful Tennessee Tech. Both teams had entered the game with identical conference records of three wins and no losses.

and scored early in the first quarter. Murray retaliated in the second quarter when Bill Jaslowski scored from the two-yard line. The touchdown was set up when Tech was penalized for pass interference on a long pass from Fioravanti to Crafton. The try for the extra point was wide and Murray trailed 7 to 6. Late in the first half a Murray fumble on their own 15-yard line enabled Tech to score just as the horn sounded, giving them a halftime lead of 14 to 6.

Neither team scored in the third quarter as the Murray defense tightened to contain the powerful Tech attack.

Late in the fourth quarter Murray gained possession of the ball, and with 41 seconds remaining in the game, Fioravanti scored on a quarterback sneak. Murray tried for the two-pointer, but the pass fell short as all the receivers were covered. The Racers tried an onside kick, but Tech recovered and ran out the clock for a 14 to 12 victory.

#### **MURRAY 14; ARKANSAS STATE 27**

Costly errors by the Racers enabled a tough Arkansas State team to beat Murray on a rainy Saturday night.

Early in the first quarter, with Murray punting, a high pass from center was barely run out of the end zone by Gordon Perry. Arkansas State took over on Murray's two-yard line and scored quickly, to lead, 7 to 0. A fumbled punt set up a second touchdown for Arkansas State and they led 13 to 0.

Murray's scoring came late in the second quarter when they started a drive on the Indian 49-yard line. The Racers began to move, with Fioravanti hitting halfback Bob Toon for the touchdown. It looked as though the half would end with the Indians in front, 13 to 7, but a stray Arkansas pass was snatched by Bill Jaslowski who ate up the yardage for 68 yards and a touchdown. Watkins kicked his second extra point of the night and the Thoroughbreds went to the dressing room leading, 14 to 13.

The second-half scoring was all Arkansas State. The final Murray threat was ended when a Racer pass was intercepted for a touchdown in the closing minutes of the game.

### MURRAY 3; MIDDLE TENNESSEE 20

Murray dropped their second OVC decision of the season to the Middle Tennessee Blue Raiders, thus eliminating a chance for a possible share of the conference title.

Middle scored early in the second quarter to take a 6 to 0 lead. Fioravanti completed four straight passes late in the second quarter to place Murray deep in Middle's territory, but then the Racer attack bogged down. Sonny Watkins converted a difficult 35-yard field goal, Murray's first of the season, to make the score at the end of the half 6 to 3. Murray failed to score in the second half while the Blue Raiders pushed across two more TDs to take the contest.

### MURRAY 26; WESTERN 7

Murray trounced arch rival Western in their ninth game of the season to end their conference play with a record of 4 wins and 2 losses.

The Racers departed from their usual passing game, but displayed a potent running attack which ground out 302 yards. Murray drew first blood with a touchdown run of ten yards by Bill Jaslowski late in the first quarter. Watkins kicked the point conversion and Murray led, 7 to 0. Western retaliated quickly to tie the score at 7 to 7 early in the second quarter. Murray came right back in the same quarter with a 40-yard run by Bill Jaslowski to put the Racers back on top. After the halftime intermission, Murray started rolling again in the fourth quarter with halfback Joe Cartwright taking the ball in from the 6-yard line. The try for the two-pointer failed, so Murray had a 20 to 7 lead. The Murray fans then settled back to wait until Murray got the ball again, and they didn't have long to wait. Watkins' kickoff sailed into the end zone and

the Western players, expecting an automatic touchback, allowed it to roll dead; however, Jaslowski roared downfield to fall on the ball in the end zone and give Murray their final touchdown of the game. The touchdown was the third of the day for Jaslowski, moving him into the No. 2 spot in the conference scoring race.

#### MURRAY 21; SOUTHEAST MISSOURI 10

Murray ended their season with a victory to enable them to compile an even record of 5 wins and 5 losses, a vast improvement over the previous season.

The Racers trailed briefly in the first half when the Indians scored on a 33-yard field goal. The Thoroughbreds quickly regained the lead when Crafton climaxed a Murray drive by scoring from the six-yard line. Watkins converted and Murray held a 7 to 3 halftime lead. Neither team scored in the third period, but Murray's offense came to life in the final quarter. Fioravanti discovered a new receiver in the person of end Tom Angerio, who had been hampered by injuries for most of the season. Angerio caught three straight passes, the final one for 23 yards and the touchdown. Watkins converted to move Murray further into the lead, 14 to 3.

The final Murray score came when Buddy Parker nabbed a desperation pass by the Indians and returned it to the 37-yard line. On the next play, Joe Cartwright went the remaining 37 yards for the final tally, giving Murray their fifth victory of the season, 21 to 10.

The Thoroughbreds wound up second in the O.V.C. with a record of 4 conference wins and 2 losses. At least three of the five games the Racers lost could just as easily have gone the other way.

Bob Burton was picked for the all-O.V.C. first team and Murray placed several other players on the second and third teams.

With most of the lettermen returning for the 1961 season, Murray State fans are looking forward to a great season for next year's Racers.

Gary Foltz reaches vainly for a pass in the Western game

The team

## BASKETBALL

Coach Cal Luther was optimistic about the chances of the Thoroughbreds as the 1960-61 season approached. Murray had the nucleus of the 1959-60 team returning and they were expected to be in the thick of the OVC fight. The 7-5 OVC record is slightly deceiving as 4 of the Conference losses were by a total of 10 points. Murray's overall record was 13-10, a slight improvement over the previous season.

The Racers began their season in an impressive style by beating a strong Abilene Christian team, 84 to 59. The Thoroughbreds jumped into an early lead and they held a 38 to 24 halftime edge. Harold Wilkins led the way with 21 points while Jarrell Graham picked up 18.

Murray traveled to New York to take on a St. Bonaventure team ranked in the top ten in the nation. Led by All-American Tom Stith, the Bonnies rolled over the Breds 92 to 39. Gene Herndon led the Racers, getting 16 points.

Racers used well-balanced scoring to earn an easy 81 to 49 verdict. Greene led the way with 15 points, followed by Wilkins with 14 and Herndon and West with 13 each.

In the most exciting game of the young basketball season, Murray was barely edged out in a tense overtime contest, 78 to 77, by Southwestern Louisiana. Ron Greene led Murray with 18 points, followed by Wilkins with 15 and Herndon with 14.

Murray resumed their winning ways with a fairly easy 70 to 58 victory over Stetson University. Red Herndon led the Thoroughbreds with 17 points and an amazing 27 rebounds. He was followed by John West and Ken Peterson with 13 and 10 points, respectively.

The Racers made it two in a row with an 85 to 65 victory over visiting San Francisco State. Murray featured balanced scoring with 5 men scoring in double figures, led by Ron Greene with 17 points. Gene Herndon and Larry Bale scored 16 each. Herndon continued his outstanding rebounding with 23, while West picked off 17.

In the final game before the Christmas vacation the Racers traveled to Starkville, Mississippi, to take on one of the leading SEC teams, Mississippi State. Murray stayed in contention throughout the contest, but they couldn't overcome their taller opponent's lead and they lost a 94 to 81 verdict. The Racers again had well-balanced scoring, with Herndon leading the way with 21 points. This gave the Thoroughbreds a 4 and 3 record for the season.

Murray returned to action after the holidays, losing a

tough game to Arkansas State by a 65 to 61 score. The Racers had trouble hitting their free throws, hitting only 56 per cent. Jarrell Graham was top scorer for Murray with 15 points, followed by reserve Len Mahony who had 14.

Murray began their OVC campaign with a surprisingly easy victory over Middle Tennessee, 97 to 58. Murray completely outclassed the Tennesseans, hitting 49 per cent from the field. Gene Herndon again led the way with 22 points and 21 rebounds. Graham and Greene contributed 17 and 13 points, respectively.

Tennessee Tech became Murray's second straight OVC victim as Murray won, 79 to 59. Murray connected for 47% of their shots, led by Graham with 21 points.

Murray lost their first OVC game of the season, just missing victory in a 75 to 73 loss to the Eastern Maroons. Murray had a tremendous first half, but they couldn't hold their lead. Big Mike O'Riordan played his finest game of the season with 24 points and Herndon had 16.

Murray lost their second straight game by two points, falling to arch-rival Western 79 to 77 at Bowling Green. Murray was trailing by 13 points with less than 5 minutes to play when they started a surge led by the sparkling play of Harold Wilkins, but the rally fell short. Wilkins got 20 points to lead the Racers. Mike O'Riordan added 17.

Murray raised their OVC record to 3 and 2 with an easy victory over East Tennessee. Murray could manage only a 37 to 37 tie at the end of the first half, but they began to roll in the second half for a 92 to 64 win. O'Riordan led the Racers with 20 points, followed by Wilkins with 14.

In the final game before the semester break, Murray fell to a powerful Memphis State team, 70 to 60. Memphis held a 35 to 30 halftime lead and they never lost it. Herndon scored 17 points for the Racers, followed by Graham with 13.

After a ten day lay-off, the Racers defeated East Tennessee at Johnson City, 83 to 63. Larry Bale held Tom Chilton, the

DONNIE WILLIAMS

nation's leading scorer, to 18 points. Herndon led Murray with 21, followed by Graham with 17. This gave Murray a 4 and 2 OVC record.

Murray kept their OVC title hopes alive by beating Morehead in an exciting overtime contest, 85 to 80. Overcoming a halftime deficit, the Racers knotted the score 71-71 at the end of regulation time. Murray scored 14 points in the overtime for the victory. Murray was led by Jarrell Graham who fired in 32 points for one of the standout performances of the season. He was followed by steady Larry Bale with 16.

In the make-up game for the cancelled game of the previous season, Murray displayed a well-balanced attack to roll over Morehead 95 to 78. The Racers hit a sizzling 64 per cent of their shots in the second half to build their lead. O'Riordan led the Racers with 18, followed by Bale with 17.

The Racers experienced one of their colder shooting nights of the season while edging Middle Tennessee 77 to 74. Larry Bale led the Racers with 22 points. O'Riordan added 18.

The Eastern Maroons dampened Murray's title hopes with a 110 to 77 loss for the Thoroughbreds. The Maroons used

Fancy footwork by Smikoski

Bale moves in for two points

Wilkins hawks an Eastern player

a big edge in rebounds as well as good shooting to roll over the Racers. Graham had 14 points while Wilkins added 12.

Murray was eliminated from the OVC race by the Morehead Eagles, as they fell in a close game 91 to 88. Murray remained in contention throughout the game but personal fouls hurt Murray's chances for the victory. Herndon and Graham sparked the Racers with 20 points apiece.

In a game that was played before 7,000 howling fans, Murray gained sweet revenge over the Western Hilltoppers with a 95 to 87 victory. Murray combined a tremendous shooting percentage plus a rebounding edge over the taller Toppers to humble Western. Murray led throughout the contest in

O'Riordan wants to shoot

raising their OVC mark to 7 and 4 and their season record to 12 and 9. Murray displayed a well-balanced scoring attack with Graham getting 28, Bale 21, and Herndon 22.

Murray made up for an earlier loss by trouncing Arkansas State, 73 to 59. Herndon led the Racers with 18 points followed closely by Graham and O'Riordan with 16 and 15 points, respectively.

Murray lost their final encounter of the season as they were edged out by hot shooting Tennessee Tech, 92-89. Herndon led the way for the Breds with 29 points, followed by Bale with 19 and O'Riordan with 17.

Murray's 7-5 Conference record placed them fourth in the OVC. The Racers played brilliant basketball at times during the season while posting a 13-10 record.

Murray losses by graduation were: Larry Bale, Harold Wilkins, Jarrell Graham, John West, Ken Peterson, Mike O'Riordan, Frank Smikoski, and Gene Herndon.

Herndon screens as Bale shoots

O'Riordan wants to shoot

raising their OVC mark to 7 and 4 and their season record to 12 and 9. Murray displayed a well-balanced scoring attack with Graham getting 28, Bale 21, and Herndon 22.

Murray made up for an earlier loss by trouncing Arkansas State, 73 to 59. Herndon led the Racers with 18 points followed closely by Graham and O'Riordan with 16 and 15 points, respectively.

Murray lost their final encounter of the season as they were edged out by hot shooting Tennessee Tech, 92-89. Herndon led the way for the Breds with 29 points, followed by Bale with 19 and O'Riordan with 17.

Murray's 7-5 Conference record placed them fourth in the OVC. The Racers played brilliant basketball at times during the season while posting a 13-10 record.

Murray losses by graduation were: Larry Bale, Harold Wilkins, Jarrell Graham, John West, Ken Peterson, Mike O'Riordan, Frank Smikoski, and Gene Herndon.

The freshmen fight for a rebound

## FRESHMAN BASKETBALL

The 1960-61 yearlings of Coach Rex Alexander compiled a season record of 10 wins and 7 losses. The Freshmen showed flashes of brilliance during the season and they looked very impressive in some encounters. They played two of their better games as they beat Western both at home and away. They were also impressive while losing to a strong Tennessee Tech team 103 to 95. Potential varsity men for next year are: Stanley Walker, Bob Goebel, Bob Burton, and Bennie Brown.

Walker has his eye on the basket

The team

The doubles team of Dasenbrock and Feezor in action

Murray started the 1960 season with a new tennis coach, Professor James Harris. Coach Harris faced the prospect of having only one returning seasoned veteran, Don Feezor, with the remainder of the squad being made up of first-year men.

The Murray Netters compiled a good 8-2 season record. They fell to third in the 1960 OVC tournament at Middleboro, Tennessee.

## BASEBALL

JOHNNY REAGAN  
Coach

Coach Reagan's Thoroughbreds finished with a record of 10-5 for the 1960 season. The Racers tied for second place in the OVC race.

Leading hitters for Murray were Jimmy Peck, Lowell Stonecipher and Sonny Ward. Top pitchers were Lynn Bridwell, Chico Reyes and Dan Pugh. Bridwell won 5 and lost 2 with an outstanding earned run average of 1.10.

The captain was Dick Stout who was also voted most valuable player. Lynn Bridwell was selected as most valuable pitcher.

## TRACKSTERS REPEAT AS OVC CHAMPS

The Murray State trackmen again posted an outstanding season record under Coach Bill Ferguson. The Racer tracksters enjoyed a 7-3 season and they again captured the OVC championship for the third consecutive year. A total of six school records were broken or tied. The school records were: Ray Wilson, 440-yard dash, 50.3; Russ Dawson, 880-yard run, 1:57.1; Curt Sanders set records in both the mile and two-mile run with times of 4:26 and 9:59.9; John Daniels, Shot Put, 46'5"; Daniels also tied his 1958 Discus record of 144'1". Murray's only losses were to three strong track powers: Vanderbilt, Memphis State and Fort Campbell.

## INTRAMURALS

The 1960-61 intramural sports program, under intramurals director Ralph Ruggiero, offered a wide variety of activities to a record number of student participants. Many new sports were added to the Murray State intramurals program, including bowling and tennis. In tennis matches, Professor Don Hicks won the men's singles while Janice Adams was winning the women's singles division. Diane Strey and Rozanne Farris came out on top in the women's doubles division. Another new sport added this year was a campus cross-country run. Al Ravenscroft was the winner of this event, which attracted many aspiring tracksters. In the rough flag football league, ATO and the Vets tied for the league championship.

The other new sport, bowling, featured some of the top campus bowlers. Jim Singleton was president of the league and this sport proved to be successful in its first season as an intramural sport. The first-semester competition was won by Tau Kappa Epsilon, and at copy time Lancaster-Veal held a good lead in the second half of the season.

Dillard eludes Morris for a shot

League President Singleton tries for a stroke

Where's that flag?

"Anyone know how to keep score?"

George looks as Dillard drives by

Joyce Reagan displays fine shooting form

In basketball, several leagues were formed with over 300 men taking part in this sport. Pi Kappa Alpha, Hoosiers, and Murray State men were the powers of their leagues.

Women's intramurals offered a wide and varied program for the so-called "weaker sex." Women's sports included tennis, basketball, volleyball, and a planned program of track and softball. Heading the women's athletic program was Miss Frances Smith.

In the women's volleyball competition, WAA took team honors. In the basketball action, a talented team of Tennesseans was leading the league at copy time. Track and softball programs are planned for later in the year.

**RGANIZATIONS**

**AND**

**CTIVITIES**

An important aspect of college life are organizations and activities. Complementing the academic program of Murray State College, the various fraternities, sororities, clubs, and other groups contribute greatly to the education of the students. Providing an outlet for diverse interests and skills, the organizations and activities were established and exist for the benefit of the student body.

# THE COLLEGE NEWS

PAT R. KING

LARRY RAY

A popular arrival each Wednesday morning on the campus is the weekly issue of **The College News**, which is written and edited by students in journalism courses. It serves both as a "laboratory" for the theoretical courses and as a campus news medium. Through pictures, cartoons, editorials, news stories, and features it seeks to serve the entire college

community. Founded in 1926 as a bi-weekly, it is in its second year as a weekly publication. In its 35-year existence **The College News** has won many awards for general excellence.

## STUDENT COUNCIL

The Student Council is the governing body of the Student Organization, of which all students are members. Student Council members are elected each year to serve the student body in student-sponsored activities and to act as an intermediary between the students and the administration. The Student Council has held its important position since its inception in 1936.

## THOROUGHbred HOUR

The Thoroughbred Hour is a daily radio program planned and produced by students interested in radio and television work.

It broadcasts from the radio studio in Wilson Hall through the facilities of WNBS.

Student directors of the show are Geri Wheeler and Norris Gorrell. Faculty advisor is Mr. James Harris, professor of speech.

Announcers

Symphony Orchestra

## MUSICAL ACTIVITIES

A major activity at Murray State College is music. Through its various groups and organizations, the music department provides a wide variety of musical experiences for Murray State College students.

Groups such as the Marching Band, Concert Band, Symphony Orchestra, String Orchestra, Brass Choir, and A Cappella Choir furnish the college and surrounding area with high caliber musical programs.

Not only locally but in other parts of the country, the music groups have done much to publicize Murray State College.

The cast takes a curtain call.

Campus Lights of 1961 blended simple but effective scenery and colorful costuming with music of professional quality to provide sparkling musical entertainment.

Under the direction of John Arnn, ably assisted by Jack Gardner, Campus Lights of 1961 was one of the best productions in recent years. Capable performances by soloists and ensembles were tied together by a personable shaggy dog, named "Oliver," played by Charles Tilley, and a night club singer, Rebecca Devine. Original compositions by Homer Pruitte and Charles Stephens contributed to the over-all effectiveness of the show, which was excellent from beginning to end.

David Colley and Rebecca Devine cut a caper.

# DEBATE

Professor Tracy and varsity debaters look over debate materials

A team collects evidence to support their contentions.

Debating for Murray provides invaluable experience in organizing and analyzing information, in addition to training the participant to think well on his feet. The debate team is sponsored and coached by Professor J. Albert Tracy.

Several debates were presented this year at local high schools by novice debaters. The intercollegiate debate squad competed in several tournaments and participated in a number of inter-school meets with neighboring colleges.

Students who meet the requirements may join Tau Kappa Alpha, a Speech Honorary Fraternity, of which Murray State is an institutional member.

The intercollegiate debate squad.

Weldon Stice and Diana Monroe attempt to revive Pat Cunningham in this scene from "The Moon is Blue."

## DRAMATICS

Spring productions of the Murray State Theatre in 1960 were "Beyond the Horizon" and "Biography." The first arena type production ever staged at Murray State College was "The Moon is Blue," produced in the fall of 1960. The children's theatre production of "Cinderella" played to capacity crowds in its three-day run. Murray State drama is under the direction of Mr. Robert Johnson.

A dramatic moment in "The Moon is Blue."

A scene from "Beyond the Horizon."

Weldon Stice makes a point in this scene from "Beyond the Horizon."

## ORGANIZATIONS

Organizations are as much a part of life at Murray State as the diffusion of knowledge. Extracurricular activities bolster the educational program and provide an outlet for different interests, talents, and abilities. In the above picture, two fraternity members are looking at trophies their organization has won in friendly competition with other campus organizations.

# ALPHA OMICRON PI

**First Row:** Diana Monroe, President; Frances Knight, Vice-President; Betty Rambo, Secretary; Alice Sholar, Treasurer. **Second Row:** Wanda Cowling, Historian; Helen Boone, Chaplain; Miss Bobbye McCarter, Sponsor.

In January, 1960, Delta Omega gained recognition as a local sorority on the Murray State campus, having as its goal affiliation with a national sorority. This goal was attained on September 18, 1960, when the local sorority was installed as Delta Omega Colony of Alpha Omicron Pi, and on February 18, 1961, when it became Delta Omega Chapter of Alpha Omicron Pi.

Alpha Omicron Pi, a national social sorority, was founded at Barnard College of Columbia University, New York, on

January 2, 1897.  $\Delta\Omega\Pi$  joined the National Panhellenic Council in 1905, being the twelfth sorority to join the conference. It now has chapters throughout the United States and Canada. Membership in  $\Delta\Omega\Pi$  personifies a lifetime experience in friendship. As their national philanthropic program, Alpha Omicron Pi maintains the Social Service Department of the Frontier Nursing Service in Kentucky.

Delta Omega Chapter looks forward to an active and worthwhile participation in Murray State campus life.

"In the heart of ole Virginny  
to where Beta Nu dwells . . ."

Alpha Sigma Alpha, founded in 1901 at Longwood College, Farmville, Virginia, installed Beta Nu chapter on the campus of Murray State College in 1946.

Let the Phoenix be a symbol of our unconquerable spirit of love, loyalty, and humility in the service to others and in working side by side with each other day by day.

Let us wear our crowns proudly, for each day offers the opportunity of a new beginning and a challenge for the future. Let us make use of our time, inspired by the peace and serenity of a Divine faith.

As we continue to share our hopes, our dreams, and our aspirations with those whose hands we clasp in the Friendship Circle, may those hopes, dreams, and aspirations become the strong links that insure a noble future of Alpha Sigma Alpha.

"We will serenade our Chapter . . ."

JO BROWN  
President

Sigma Sigma Sigma social sorority, founded in Farmville, Virginia, in 1898, is a national social Greek-letter collegiate society and a member of the National Panhellenic Conference. It installed the Alpha Chi Chapter on this campus in 1942.

Belonging to the Tri Sigma sisterhood adds to the purpose and happiness of college years with each member experiencing the Sigma spirit of giving, loving and sharing. The national social service work of the sorority is centered around the theme "Sigma Serves Children."

To collegiate Tri Sigmas, the founding principles of love, service, scholastic achievement, and wholesome, gracious group living are real.

PAT JONES  
Sweetheart

"Be not afraid of life. Believe that life is worth living, only your belief will help create the fact."

Through our fraternity, we of Alpha Tau Omega have the opportunity to learn and gain from others. Rich or poor, rough-hewn or polished, we are offered the natural opportunity for individual improvement and individual self-realization. Alpha Tau Omega develops character, fellowship, and scholarship. The member is guided towards the evolvement of his own concepts of good-citizenship, of fair dealing, and of friendly understanding.

Our's is an association of men, selected by democratic processes because of common ideals and aspirations. This association seeks to advance it's members in the arts of life and add to the formal instruction of the college curriculum the culture and character which men acquire by contact with great personalities through membership in a fraternity of great traditions.

B. Parsons, Chapter Advisor; Major John T. Bryant, Faculty Advisor.

NANCY OWEN  
Sweetheart

The first local fraternity on the Murray State campus, founded February 3, 1948, was installed as Epsilon Tau Chapter of Sigma Chi Fraternity on April 25, 1959.

Sigma Chi was founded on June 28, 1855, at Miami University in Oxford, Ohio, as the third member of the famous Miami Triad, the other two being Beta Theta Pi and Phi Delta Theta. Sigma Chi is rated the second in total national strength, according to the 1960 Annual Comparison of National College Fraternities and Sororities.

Epsilon Tau Chapter this year presented the thirteenth annual edition of **The Last Resort**. It published the eighth edition of the **College Directory**. It held the fifth annual Christmas Party for the children of a nearby orphans' home. It has sponsored dances, and participated in all college activities.

**First Row:** Jerry Alston, Dennis Barden, Norman Brown, Ed Buckalew, William Campbell, Rocco Caponigri, Bill Carson, Richard Cates.

**Second Row:** Jerry Childress, Bud Crafton, Darrel Craig, Bob Fowler, W. A. Franklin, Jerry Frazier, Jim Fuller, Ben Hester.

JANET DAVIS  
President

Sigma Alpha Iota, professional music fraternity for women, was founded June 12, 1903, at the University School of Music, Ann Arbor, Michigan.

Iota Beta Chapter was installed on the Murray State College campus February 3, 1939. S. A. I. endeavors to uphold in its objectives the advancement of musical development and scholastic standards among its members.

A few of Iota Beta activities for this year include: awarding scholarships to incoming freshman girls majoring in music; awarding the \$100 "Pop" Doyle Scholarship to an outstanding Iota Beta musician; sponsoring the "All-Campus Sing"; and in conjunction with Phi Mu Alpha presenting monthly musicals, and the annual "All-American Concert," co-sponsoring the "Festival of Contemporary Arts" and "Campus Lights."

For the past four years, Iota Beta has been named the "Outstanding Chapter" of the province.

"To study and practice the goodness of life, the beauty of art, the meaning of music . . . This is to be our Symphony."

# PHI MU ALPHA

GERALD SLEDD  
President

**First Row:** Roger Reichmuth, Vice-President; Norris Lacy, Secretary; Bill Nettleton, Treasurer. **Second Row:** Dick Bray, Warden; Charles Pruneau, Historian; Ralph Green, Alumni Secretary.

Gamma Delta Chapter of Phi Mu Alpha Sinfonia Fraternity of America has a four-fold purpose: "To advance the cause of music in America, to foster the mutual welfare and brotherhood of students of music, to develop the truest fraternal spirit among its members, and to encourage loyalty to the Alma Mater."

We have strived to accomplish these purposes since 1938 when we received our National Charter. The Chapter has received the Charles E. Lutton Province Merit Award and the Charles E. Lutton Sinfonia Award for being the most outstanding chapter in the nation.

In an effort to further accomplish our purposes, Gamma Delta awards scholarships to freshman music students, and presents annually, in cooperation with Sigma Alpha Iota, the "All-American Concert" and "Campus Lights."

**FACULTY—First Row:** Mr. Robert Baar, Mr. Josiah Darnall, Mr. Richard Farrell, Mr. David Gowans, and Mr. Neale B. Mason. **Second Row:** Mr. Roman Prydatkevych, Mr. Lawrence Rickert, Mr. Paul W. Shahan, and Mr. John Winter.

# PERSHING RIFLES

**First Row:** Ando Kivirahk, Captain; Larry D. Lynn, Executive Officer; Coleman J. McDevitt, S-1; Albert C. Cole, S-2. **Second Row:** Ronald Lee Kelly, S-3; Dennis G. Kessler, S-4; Michael Hamm, Sergeant-at-Arms; Robert U. Boyd, Advisor.

JOAN CARTER  
Sweetheart

Pershing Rifles is a National Honorary Society founded in 1894 by General John J. Pershing. His objective was to promote a finer quality of drill and leadership among Military Science cadets.

Since their beginning the Pershing Rifles units have created a feeling of brotherhood in almost every large college and university from coast to coast.

Company G of the third regiment provides a color guard for all football and basketball games. They have one of the finer Rifle Teams, and "crack" drill squads in the regiment. The unit also provides a parking detail for all sports events on the campus.

## TAU KAPPA EPSILON

We believe that a fraternity should be a brotherhood in conduct as well as in name.

We believe that the essential elements of true brotherhood are love, charity, and esteem: love, that binds our hearts with the sturdy chords of fraternal affection; charity, that is impulsive to see virtues in a brother and slow to reprove his faults; esteem, that is respectful to the honest convictions of others and that refrains from treading upon that which is sacred to spirit and conscience. These are triple obligations of every brother in the bond.

Finally, above all else, this fraternity stands for Men. We believe in their equality in those things which the Creator has decreed they should equally enjoy. We consider no man from the standpoint of those qualities and advantages he has not attained by personal effort. We stand for men whose manhood has withstood the test of trying conditions.

## ALPHA GAMMA RHO

Alpha Gamma Rho is a social fraternity deriving its membership from students in agriculture and related subjects. It was founded in 1908 at Ohio State.

The Alpha Gamma Rho Colony was activated at Murray State College on November 25, 1959.

The purpose of Alpha Gamma Rho is to make better men, and through them a broader and better agriculture, by surrounding its members with influences tending to encourage individual endeavor, resourcefulness, and aggressive effort along lines making for the development of better mental, social and moral and physical qualities; to promote a wider acquaintance and a broader outlook on the part of agriculture men through fellowship in a national organization that stands for the best social, mental, and moral development.

**First Row:** Ovle Jones, President; Charles Trainer, Vice-President; Billy Williams, Secretary; Bobby Lax, Treasurer; Elton Waldrop, Reporter; Jerry Tarry, Parliamentarian. **Second Row:** James Thompson, Historian; Sam Smith, Sergeant-at-Arms; Robert Ovesen, Pledge Master; Paul Walker, Chaplain; Arlie Scott, Advisor.

**First Row:** Carolyn Pat Alderdice, Judy Bean, Ruth Ann Browning, Barbara Finley, Anita Gholson. **Second Row:** Gelauta Hamm, Jeannie Hart, Martha Knoth, Sarah Quisenberry, Eileen G. Rohwedder. **Third Row:** Mattie Susan Smith, Nancy Taylor, Twyla Vinson.

## DELTA LAMBDA ALPHA

Delta Lambda Alpha, freshman women's honorary sorority is symbolized in the Bible, white candles, shield, and a white carnation. These in turn, represent purity of thought, deed, high resolve and accomplishments.

Membership is based upon scholastic average of a full course of study for one semester. The grade average must be halfway between the two top grades in the institution.

Active membership comes in the remaining part of the freshman and the sophomore year.

# SIGMA LAMBDA IOTA

Sigma Lambda Iota, an honorary professional business administration fraternity, was organized at Murray State College on October 10, 1957.

Membership in Sigma Lambda Iota, a non-affiliated organization, is open to male students enrolled at Murray State College who have attained the scholastic standing of 3.0 in business subjects and 2.5 in non-business subjects. To be eligible for membership a student must have 28 hours of

credit of which 15 hours must have been in business subjects.

Sigma Lambda Iota signifies scholarship, leadership, and integrity.

The objects of the fraternity are to: further the individual welfare of its members, foster scientific research in business administration, educate the public to appreciate and demand higher ideals therein, and promote and advance courses and training in business administration at Murray State College.

**First Row:** Don Carter, Brooks Hatcher, Stanley Johnson. **Second Row:** Larry Ray, Bob Sims, Joe Pat Trevathan.

DOUG HARRIS

Jimmy L. Swann, Vice-President; Richard E. Cates, Treasurer; James H. Murphy, Publicity; Dr. Hugh L. Oakley, Trustee; Paul K. Lynn, Co-Trustee.

## EPSILON PI TAU

CHARLES H. STORY  
President

The name, EPSILON PI TAU, is derived from the initial letters of the Greek names for the three precepts on which the fraternity was founded. These are: skill or TEXNIKH, social and professional proficiency, or PRAGMATEIA, and research or EXETASIS.

EPSILON PI TAU is an international honorary professional fraternity operating in the complementary fields of industrial arts education and vocational-industrial education.

Its purposes are threefold: (1) to recognize the place of skill; (2) to promote social and professional proficiency; and (3) to foster and reward research and to publish and use its results.

**First Row:** Robert W. Compton, Joseph G. Cowin, Nicholas J. Galloway, Jackie W. Jones, Robert W. Jones. **Second Row:** William D. Lee, Jr., George T. Lilly, Bobby G. McCord, Donald E. Toone, Leonard P. Wice.

## SOCK AND BUSKIN

Sock and Buskin's purpose is to create, develop, and promote student interest in drama. Members get experience with stage technicalities while working on the two major productions and children's theatre.

New members must go through a pledging program. During this time the pledge familiarizes himself with stage terms and becomes acquainted with the physical aspects of the theatre.

Each year the members choose two ideal pledges. Ideal pledges this year were Jo Ann Davis and Harolene Pridy. The pledges then select an ideal active. This year's selection was John Snider.

At the annual spring banquet, the best actress and actor for the season is presented with the coveted lamp of knowledge. Last year's selection was Judy Johnston, actress, and Pat Cunningham, actor.

The club, the oldest on campus, also offers a scholarship to an outstanding junior member of Sock and Buskin.

# BETA BETA BETA

PHIL CRANT  
President

The Beta Pi Chapter of Beta Beta Beta, a national honorary society for students of biological sciences, was established at Murray State College in 1947. Its membership is reserved for those who achieve superior academic records and who indicate special aptitude for biology. The society has a three-fold purpose: to stimulate sound scholarship; to promote the dissemination of scientific truth; and to further research.

**First Row:** Charles Barlow, Judy Bean, Helen Boone, Darrell Craig. **Second Row:** James Fuller, Marlene Hamlin, Sandra Hayden, Kenneth Henderson. **Third Row:** Joe Holland, Cynthia Jetton, Earl Jones, Nancy Keown. **Fourth Row:** Norris Lacy, Tom Logan, Shirley Moore, Thomas Omer. **Fifth Row:** Jack Richardson, Bobby Riley, Eileen Rohwedder, Gerald Savells. **Sixth Row:** Nancy Sawyer, William Schmitt, Charles Settle, Robert Sneed. **Seventh Row:** Ted Sykes, Ramona Tooke, Charles Wells.

**First Row:** Russell Dawson, Vice-President; Sharron Eley, Recording Secretary; Don Powers, Treasurer; Wanda Cowling, Corresponding Secretary. **Second Row:** Larry Kropp, Pledgemaster; Miss Clara Eagle, Sponsor; Mr. William Walmsley, Co-Sponsor.

## KAPPA PI

Kappa Pi, a national honorary art fraternity, was established to honor outstanding students in the field of visual arts. Alpha Alpha Chi Chapter of Kappa Pi was established on the Murray campus in May, 1950, as one of the 101 chapters in the United States.

For the past three years Kappa Pi has sponsored a masquerade ball in the spring semester. Last year a successful art auction was given which promises to be an annual event.

# ASSOCIATION FOR CHILDHOOD EDUCATION

## OFFICERS

|                                |                |
|--------------------------------|----------------|
| SUE WILLIAMS ROBERTS . . . . . | President      |
| JUDITH MOOREFIELD . . . . .    | Vice-President |
| BARBARA TENNANT . . . . .      | Secretary      |
| EDWARD SKINNER . . . . .       | Treasurer      |
| RUBIE E. SMITH . . . . .       | Advisor        |

The Association for Childhood Education is a branch of the Association for Childhood Education International. It is concerned with the welfare and teaching of children and with the growth of teachers. Where classwork ends for majors in Elementary Education, A.C.E. begins. The members are busy with good programs for themselves and for children, with providing scholarships for teachers in training, with participation in campus activities, and with working on UNESCO activities. The Best Groomed Contest is held each year to choose best groomed students on the campus. A.C.E. provides opportunities for leadership and affords a challenge to be a professional person with depth and purpose.

## AGRICULTURE CLUB

### OFFICERS

| OVLE G. JONES      | Secretary                           |
| CHARLES D. TRAINER | Treasurer                           |
| DON R. RAMAGE      | Reporter                            |
| RONALD NELSON      | Student Organization Representative |
| GERALD HALE        | Alumni Secretary                    |

The Agriculture Club strives to provide recreational and educational activities for its members, to develop and maintain an interest in agriculture instruction, to develop rural leadership, to encourage and promote conservation of wild life and to stimulate interest in agricultural research.

# HOME ECONOMICS CLUB

## OFFICERS

|                                 |                |
|---------------------------------|----------------|
| JEAN DARNELL . . . . .          | President      |
| MARINELL MYERS . . . . .        | Vice-President |
| NANCY WILLIAMS . . . . .        | Secretary      |
| BRENDA BRISCOE . . . . .        | Treasurer      |
| MISS FRANCES BROWN . . . . .    | Adviser        |
| MISS MARY ALICE RAMER . . . . . | Adviser        |

The Home Economics Club is a professional organization affiliated with the American Home Economics Association and the Kentucky Home Economics Association.

Among its purposes are to develop professional attitudes and interest by providing opportunities for working with faculty and students of our college, meeting and knowing people who are successfully practicing the profession, providing opportunities for the development of leadership abilities, taking the first step toward professional recognition, and seeking an understanding of all peoples.

This year the club has donated money to help establish on campus a professional home economics fraternity.

## BUSINESS CLUB

### OFFICERS

|                 |                  |
|-----------------|------------------|
| JOYCE REAGAN    | President        |

| BEULAH WOOTEN   | Reporter         |
| EDWIN HAMILTON  | Sergeant-at-Arms |
| VERNIE PARKER   | Sponsor          |

The Business Club is organized to foster a further study of business and business education at Murray State College; to encourage scholarship and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the world of business and the students of business; to achieve higher standards of business ethics, culture, and civic welfare of the community. Membership is composed of students obtaining an area, major, minor, or field in the Department of Business.

The chief aim of the Club is to bring about closer relationship among students with a common interest. It attempts to accomplish this purpose through student participation in the numerous educational and recreational activities sponsored by the club throughout the year.

# DAMES CLUB

## OFFICERS

|                       |                         |
|-----------------------|-------------------------|
| BETTY HINES           | President               |

The Murray State Chapter of the National Association of University Dames is an organization for the wives of married students, or married women who attend college. The Club was organized in March, 1958, and became affiliated with the National Association in September, 1958.

With the purpose of establishing a spirit of good fellowship, the Club endeavors to provide social, recreational, and cultural opportunities for its members.

The Mrs. Murray State Contest was organized and sponsored by the Dames Club. Each year the most deserving member is honored with the title of "Ideal Dame."

# INDUSTRIAL ARTS

## OFFICERS

- PAUL WICE . . . . . President
- BOB MURDOCK . . . . . Vice-President
- NEAL SELLARS . . . . . Secretary
- JACKIE JONES . . . . . Treasurer
- JIM MURPHY . . . . . Publicity Chairman

1961 - P. 105

The Industrial Arts Club has as its chief objective the advancement of industrial arts education among students in the department. In achieving this purpose, the club seeks to utilize its meetings to explore topics of common benefit, and through the medium of extra-curricular activity, to promote a closer relationship among students in the department and departmental faculty.

# INTERNATIONAL RELATIONS CLUB

## OFFICERS

MILDRED LUCKEY . . . . . President  
 PEGGY LaFEVER . . . . . Vice-President  
 RUTH ANN WILLBOURN . . . . . Secretary  
 ALEX BOND . . . . . Treasurer  
 DR. FRANK STEELY . . . . . Faculty Sponsor

The International Relations Club, the oldest club on campus, has as its purpose the promotion of better understanding of international affairs. This is done by bi-monthly discussions of current international and national problems.

The activities began with the annual picnic. During the year, several faculty members spoke to the group. For the December meeting, a banquet was held at which a Murray student from Cuba spoke.

## KAPPA DELTA PI

### OFFICERS

## VETERAN'S CLUB

The Veterans Club was originally organized in 1946 to help returning World War II veterans adjust to civilian and college life and to introduce them to men with similar interests. Additional objectives of the club are to foster scholastic achievement among veterans and to help in any way possible to make Murray State College a better institution of learning. Following a period of inactivity, the club was reorganized in 1952 with the same aims and objectives.

The club maintains a clubroom in the basement of Wells Hall and participates in all campus social activities and intramural sports. The Vets Club "Red Towel Dance" has become a traditional climax to the Murray vs. Western rivalry.

The Woods Hall Council is the governing body of the girls' dormitory. The council seeks to promote an observance of enforced regulations in order that all the girls may have a better and more pleasant place in which to live.

The council plans and sponsors such activities as dorm parties, teas, open house, and the annual Christmas Party at which time the "Ideal Freshman Girl" is presented.

## WESLEY FOUNDATION

### OFFICERS

|                             |                |
|-----------------------------|----------------|
| MARTHA CLAYTON . . . . .    | President      |
| CHUCK DRUMMOND . . . . .    | Vice-President |
| ALETHEA CAMP . . . . .      | Secretary      |
| BRADY WILLIAMSON . . . . .  | Treasurer      |
| MRS. BROOKS CROSS . . . . . | Director       |

The Wesley Foundation is not a church, but rather the ministry of the Methodist Church to students of our local colleges. It offers you, who are students, opportunities to deepen your Christian faith; to talk over your personal problems; to worship in many ways; to serve Christ and His people; to develop leadership abilities; and to enjoy a warm and loving fellowship. The Wesley Foundation at Murray State College challenges all students to worship, proclaim, witness and serve in the academic community.

# COLLEGE CHURCH OF CHRIST

Through these doors our students find access to an open Bible and to a real religious experience in worship and life.

The Executive Council

## BAPTIST STUDENT UNION

Christ be magnified through students:

An invitation and a welcome belongs to everyone,  
as the Baptist Student Union serves as a link be-  
tween Church and School.

# CANTERBURY CLUB

The Murray State College Canterbury Club is one of the nearly 600 campus organizations sponsored by the Protestant Episcopal Church in the United States.

The Canterbury Club attempts to meet the needs of the entire academic community. Thus membership is not limited to members of the Episcopal church but is open to everyone on the college campus.

Through carefully planned programs, informal discussions, and a concern for the college community at every level, the Canterbury Club seeks to help students and faculty alike to face the difficult issues of this modern age, and to lead them to a better and relevant understanding of their place in the world.

## ORDWAY HALL COUNCIL

### OFFICERS

|                             |                         |
|-----------------------------|-------------------------|
| MAXENE MOORE . . . . .      | President               |
| SANDRA BRADLEY . . . . .    | Vice-President          |

 Mary Lou Collins . . . . . Second Vice-President  
 Laura Lee Lynch . . . . . Secretary  
 Pete Lancaster . . . . . Treasurer

To lay the claim of our Lord on the individual student.  
 To develop leadership in the Disciples of Christ Church.  
 To make the most effective witness possible with our Christian brethren in the ecumenical movement.  
 To offer fellowship internationally through conferences, projects, missions, and other activities.

# DISCIPLES STUDENT FELLOWSHIP

The Alumni Association provided help for registering students.

The dedication of the monument to Dr. Wells climaxed a major undertaking of the Alumni Association.

## THE ALUMNI ASSOCIATION

To maintain close relationships between Murray State graduates and their Alma Mater, the MSC Alumni Association engages in innumerable activities.

Probably the best known of these is homecoming. Others that are little known to undergraduates include: a newsletter that will become a magazine next fall; graduate get-togethers in cities throughout the Southeast and Midwest; an alumni banquet during commencement week; an honors program for faculty; and sponsor of scholarships for two high school

graduates of the area. The association is also a member of the Joint Alumni Association of Kentucky, which is vitally concerned with the advancement of higher education in the Commonwealth.

The Alumni Association organized and led the drive for funds to construct the memorial, which was dedicated last fall, to Murray State's founder, Dr. Rainey T. Wells.

Presently, more than 1,200 MSC graduates are members of the association.

"Little Boy Blue," an eye-catching float of the 1960 Homecoming Parade.

A large, stylized, outlined letter 'F' with a decorative, calligraphic design.

**ACULTY AND**

A large, stylized, outlined letter 'A' with a decorative, calligraphic design.

**DMINISTRATION**

The faculty of Murray State College is seldom praised or thanked, but without them, there would be no college. Constant concern for their students, patient understanding, and boundless energy are all characteristics of the Murray State faculty. But the life of a faculty member is not free from trials. An instructor experiences an endless variety of wearisome tasks which demand his faithful attention. An outstanding faculty, industrious and persevering, has contributed greatly in making Murray State College the growing institution that it is today.

# GOVERNOR

BERT T. COMBS

## BOARD OF REGENTS

Dr. R. H. Woods, Bob T. Long, Glenn Doran, A. B. Mitchell, O. H. Hall, **Not Pictured:** Chairman Wendell Butler, R. H. White, O. B. Springer.

Mrs. Elizabeth Woods reigns at the residence, Oakhurst, as first lady of Murray State College.

## THE PRESIDENT

I trust that your experiences at Murray State have given you an increased appreciation for the magnificence of truth, beauty, and integrity. May you increasingly appreciate the learning opportunities that have been yours. May the unexcelled friendliness of this campus top the spire of your most treasured memories. May recollections of its halls, its trees, its walks, stand in bold relief on your map of life.

I am confident that when you have finished your work at this college you will go forth equipped to serve and to share, remembering ever that devoted service brings more joy than any other activity in the world. He is greatest who puts service above self. Be concerned with your own well-being but make it not your exclusive objective.

You have a stake in Murray State. Be interested in seeing the college grow in effectiveness. The debt you owe your Alma Mater can be amortized over the rest of your life. The limits of your tomorrow will depend upon how well you used yesterday and how efficient you are today. May the flashing of the letters MSC stimulate fond recollections, encourage effective service, and inspire confidence.

MR. T. SLEDD  
Manager of Book Store

MR. GLIN JEFFREY  
College Postmaster

DR. WALTER E. BLACKBURN  
Head, Chemistry Department

Careful measurement of reagents is necessary to successfully carry out reactions

## CHEMISTRY

Chemistry is basic to the material progress which Americans value so highly, but aside from its utilitarian value, it is intrinsically worthwhile as another branch of man's inquiry into his world. A knowledge of the complexity of the objects and processes around one, paralleled by an appreciation of the immense potentialities of their utilization and of their paradoxical unity amid diversity, provides much ground for reflection. In addition to professional preparation and activity, the Chemistry Department functions as an integral part of the liberal arts program by introducing students to science and the scientific method.

## EDUCATION AND PSYCHOLOGY

Beneath the exterior of the human being, beneath his intelligence and his conduct, lies a fascinating and relatively unexplored area from which stem the determinants of character. "Know thyself" was an aphorism of the ancient Greeks, and much of our present-day standard of behavior and definition of rationality is built upon the findings of experimental and theoretical psychology. The hypotheses developed by such studies determine the direction of much of our educational experience, and especially in this area the modern college must realize its responsibility not only to utilize, but to study and to criticize ideas.

## SOCIAL SCIENCE

The orientation of the individual to society as a whole and to the other personalities around him is a subject of tremendous concern to modern man. Cognizant of the significance of the application of the scientific method to social problems,

modern education pays due respect to the social sciences; and Murray State College provides for every student the opportunity to explore the basis of human action and interaction. The realization that "no man is an island entire unto himself" marks another step in the emergence of a person from his cocoon of egocentricity and in the acceptance of his role in the community.

MR. R. W. TERHUNE  
MRS. EMILY WOLFSON

Within the framework of a liberal arts curriculum the study of the fine arts serves as an outlet for the talents of especially creative persons, and as a means of awakening the aesthetic sensitivities of all students. Music, art, and dramatics are avenues of experience which can transcend dimensional limits

and lead to unique and keen pleasures. Not only is the mere emotional experience of the arts to be valued, but a comprehension of their principles and techniques complements the enjoyment available from these modes of expression.

Long hours of practice for Music Majors

Rehearsal for a dramatic production

Throughout the stacks of the Murray State Library, couched in endless prose styles is knowledge—encyclopedic, mundane, profound, repetitious: all these. As the Murray State student wanders through the maze of stacks, he marvels at the wealth of wisdom that each row represents. And with this realization the more conscientious student feels pangs of frustration as he contemplates the lack of human time to peruse that which lies before him. But the search for knowledge goes on, ever approaching but never reaching that ultimate goal of having attained all knowledge.

Students interested in gaining further knowledge of library techniques and procedures find that the field of Library Science is fascinating and challenging.

Murray State students are ably assisted in their search for knowledge by an able, conscientious library staff.

## INDUSTRIAL ARTS

The tools of an industrial arts major are many and varied: from the T-square and drawing pencils of a drafting student to the lathes, screwdrivers, and claw hammers of the shop students. In classes in mechanical drawing, the students prepare for future careers in the important fields of architecture, designing, and engineering. Courses in woodworking and general metals give the students practical, creative experience. Industrial arts gives the student a chance to work with his hands and his mind, to create and recreate, to demonstrate his intelligence and dexterity in a practical and essential art form.

# COLLEGE HIGH

A student teacher's semester at College High opens the door to a new challenge, a new service, and a new enjoyment. Through actual classroom teaching under the careful supervision of experienced teachers, student teachers are given the opportunity to put their accumulated facts and theories into practice.

The school serves as a laboratory in which potential teachers have the opportunity to meet and solve educational situations comparable to those they will encounter in the actual practice of their profession. It also serves as a service to the community by providing excellent educational facilities for approximately 500 elementary and secondary school students.

## AGRICULTURE

Modern scientific farming methods have made it imperative that young men who plan to farm have a solid background of facts and theories before they embark upon their careers. The place of agriculture as an academic endeavor is therefore essential for the social and economic life of the state, the nation, and the world. Practical and theoretical discussion on fertilization, cultivation, crop raising, and animal husbandry are part of every ag student's preparation, as well as actual practical application.

The study of agriculture isn't confined to farmers. Students preparing for careers in veterinary medicine, agronomy, and vocational education also take agriculture courses as a basis for further specialized education.

The transmission of ideas from one person to another is inseparable from the ideas themselves, for without a means of expression the most perceptive observation or most delicate sensation is valueless. Not only is knowledge of one's own and other languages essential to even the simplest social order, but the powers of communication must extend beyond one's contemporaries and outside the spoken medium. For appreciating and enjoying the contributions of past generations and ages, a familiarity with literature and a recognition of its limitless resources, coupled with a love of learning, are indispensable.

DR. MAX G. CARMAN  
Head, Mathematics Department

Mathematics, often called the "queen of sciences," is accepted as essential by Phi Beta Kappa scholarship standards and by all students of other sciences. The orderly realm of numbers is a fascinating one, sure to challenge an alert, inquisitive mind. A view of the clear, pure beauties of a geometrical figure or the subtle perfection of a complex formula is its own justification for the intellectual effort required to attain it. Aside from its intrinsic charm, mathematics is an indispensable tool in the physical sciences and technology of our civilization, for the basis of all modern science is quantitative. The value of training in this field, then, lies not only in mere utility and technical competence, but in a disciplined mind and in an inner satisfaction and intellectual stimulation.

## PHILOSOPHY

DR. ROBERT PERKINS  
Head, Philosophy Department

One of the distinguishing characteristics of the human animal, expressed in a multitude of strivings for understanding, is a concern for ultimate things. To know man's origin, his purpose, and his final end and to give meaning and direction to the formless mass of actions and reactions called life, philosophy has been created, and in consciousness of its significance, it has been fostered. The awakening of the student to the power of ideas, his unique heritage, his responsibility and his introduction to the peaks of philosophical tradition are necessary functions of a liberal arts program.

A typical book for Philosophy 101

## NURSING

Professional, pleasant, understanding, quiet but efficient, girls in white . . . caps tilted dangerously back on their heads . . . calm, considerate, helpful. These are phrases, phrases descriptive of nurses who are dedicated specialists, nurses who have behind them years of study and work; dispensing medicine, giving baths, smelling ether for the first time, learning the long list of human bones, learning to overcome emotions, and learning to work with the patience and skill necessary for the trained nurse. Class work, lab work, and special duty are all in a busy day for the nurse.

Miss Rubie Smith's Elementary Curriculum class

## THE GRADUATE SCHOOL

Murray State College graduate program leads to a degree of Master of Arts in Education. Candidates for degrees must first have completed a four-year program of studies which qualifies them for teaching in elementary or secondary schools. The Graduate School provides training in the following specialties in education: elementary and secondary teaching, elementary and secondary principalships, guidance, supervision, and the superintendency. The graduate program includes twelve semester hours beyond the Master of Arts degree which may be used in qualifying for Rank I in the salary schedule of the Kentucky Foundation Program of Education.

Dr. Parsons lectures on "tests and measurements"

A class on "supervision of student teachers"

## EDITOR'S ACKNOWLEDGEMENTS

Between the covers of this book are the results of almost a year's labor by the **SHIELD** staff to record the year's activities at Murray State College.

To say the task has not been easy would be an understatement. Without the complete cooperation of each member of the staff, the 1961 **SHIELD** could not have become a reality.

Three members of the staff deserve special mention at this point. Gene Campbell, our photographer, exhibited extraordinary patience and skill in performing his gigantic task. Jerry Severns worked above and beyond the call of duty in his position as assistant editor. To Jerry goes a lion's share of the credit for picture ideas, copy writing, and other features of the book. And with the timely advice and understanding wisdom the **SHIELD** staff has come to expect of him, Mr. Vernon Anderson kept us on an even keel while acting as faculty advisor.

Beyond these three persons, to single out individual staff members for recognition would be grossly unfair, for each member ably performed his share of the task.

To all who helped in any way in producing this book, please accept this sincere expression of appreciation.

RALPH OLIVER  
Editor
